*Our Mission:
The mission of the NCCDP® is
to promote, encourage and
enhance the knowledge, skills
and practice of all persons
who provide care and / or
services to Dementia clients by
means of requiring excellent
standards of education,
Dementia specific training and
incentives for professional
development of those who are
dedicated to the ever growing
field of Dementia Care.*

***"One trainer affects
thousands of healthcare
professionals and
caregivers."***

*"I wanted to share that the feedback from
DADS staff was very positive. They very
much enjoyed the training. Your trainer
was very professional and dynamic. Thank
you for providing us this opportunity!"*

-Michelle D. -MSN, RN, Austin, Texas

*"Great help for those in the industry. Super
resources, strategies, practical every day
guidance for care givers."*

*Thank you! You were wonderful, engaging
and your passion is contagious. Keep it up"*

-Lennie K. RN, BS, CDP, CADDCT

*"Speaker was very knowledgable, enjoyed
the personal stories. I learned many new
ideas regarding wandering, cultural issues
and communciations."*

-Ellen T. BSN, RN, CWS, CDP, CADDCT

*"Was not disappointed and kept my
interest. I learned how to interact to help
support family with understanding
dementia and tools to help with the
significant other."*

NCCDP Offers Several Certifications:

>CDP Certified Dementia Practitioner

Certification is open to all health care professionals and front line staff that qualify and have completed the live 8-hour Alzheimer's Disease and Dementia Care seminar taught by a NCCDP approved CADDCT Trainer. We're Taking Dementia Education to a Whole New Level!

>CADDCT Certified Alzheimer's Disease and Dementia Care Trainer

Certification is open to in-service directors, trainers, consultants who work in the health care industry or educators who work in learning institutions. Seminar forms for educator of the year.

Facilities and home care agencies who specialize in older Americans are now 80 percent dementia clients. You cannot afford to wait to update your dementia education and obtain dementia certification.

Ask us about Corporate and Association discounts.

>CFRDT Certified First Responder Dementia Trainer

Certification is open to educators provided all the necessary tools to conduct comprehensive Alzheimer's Disease and Dementia Training. The seminar not only covers key aspects of dementia but also elopement, driving concerns, abuse and neglect.

>CFR-DT Certified First

Responder-Dementia Trained is open to those First Responders who have completed the one day Alzheimer's Disease and Dementia Seminar for First Responders by an approved NCCDP CFRDT trainer and who qualifies for certification. First Responders who work for Law Enforcement, Medical Emergency Service, Fire Fighters, Red Cross, Salvation Army, Hazard Management, as well as National and Homeland Security are welcome to apply.
