and thoughts our class  
participants shared  
with us at NCCDP:***

*Our Mission:  
The mission of the NCCDP® is  
to promote, encourage and  
enhance the knowledge, skills  
and practice of all persons  
who provide care and / or  
services to Dementia clients by  
means of requiring excellent  
standards of education,  
Dementia specific training and  
incentives for professional  
development of those who are  
dedicated to the ever growing  
field of Dementia Care.*

***"One trainer affects  
thousands of healthcare  
professionals and  
caregivers."***

***---Sandra Stimson, CEO  
NCCDP***

*"I wanted to share that the feedback from  
DADS staff was very positive. They very  
much enjoyed the training. Your trainer  
was very professional and dynamic. Thank  
you for providing us this opportunity!"*

*-Michelle D. -MSN, RN, Austin, Texas*

*"Great help for those in the industry. Super  
resources, strategies, practical every day  
guidance for care givers."*

*Thank you! You were wonderful, engaging  
and your passion is contagious. Keep it up"*

*-Lennie K. RN, BS, CDP, CADDCT*

*"Speaker was very knowledgable, enjoyed  
the personal stories. I learned many new  
ideas regarding wandering, cultural issues  
and communciations."*

*-Ellen T. BSN, RN, CWS, CDP, CADDCT*

*"Was not disappointed and kept my  
interest. I learned how to interact to help  
support family with understanding  
dementia and tools to help with the  
significant other."*

*-David R. LPN*

***Are You Certified?  
It's Time to Invest in Yourself!  
NCCDP **recommends** that at  
**minimum** there should be one staff  
member per shift who is a **CDP:  
Certified Dementia Practitioner®**.***

## **NCCDP Offers Several Certifications:**

### **>CDP Certified Dementia Practitioner**

**Certification** is open to all health care professionals and front line staff that qualify and have completed the live 8-hour Alzheimer's Disease and Dementia Care seminar taught by a NCCDP approved CADDCT Trainer. We're Taking Dementia Education to a Whole New Level!

### **>CADDCT Certified Alzheimer's Disease and Dementia Care Trainer**

**Certification** is open to in-service directors, trainers, consultants who work in the health care industry or educators who work in learning institutions. Seminar forms for educator of the year.

Facilities and home care agencies who specialize in older Americans are now 80 percent dementia clients. You cannot afford to wait to update your dementia education and obtain dementia certification.

Ask us about Corporate and Association discounts.

### **>CFRDT Certified First Responder Dementia Trainer**

**Certification** is open to educators provided all the necessary tools to conduct comprehensive Alzheimer's Disease and Dementia Training. The seminar not only covers key aspects of dementia but also elopement, driving concerns, abuse and neglect.

### **>CFR-DT Certified First Responder-Dementia Trained**

is open to those First Responders who have completed the one day Alzheimer's Disease and Dementia Seminar for First Responders by an approved NCCDP CFRDT trainer and who qualifies for certification. First Responders who work for Law Enforcement, Medical Emergency Service, Fire Fighters, Red Cross, Salvation Army, Hazard Management, as well as National and Homeland Security are welcome to apply.
