Our Staff

Our staff is the cornerstone of the Georgetown Living Experience. We have highly trained professionals who have devoted their life to gerontology and are aligned with our theory of resident care.

We take pride in our extraordinary staff at Georgetown Living. Our well-rounded team ensures that all aspects of resident care are taken well into account. In addition to our staffs' superb qualifications in hands-on dementia care, our leadership team continues to take active roles as educators in the community to further Alzheimer's related awareness.

Deanna Lueckenotte, LBSW, CALM, LNFA

Deanna is an Alzheimer's advocate, educator, and author of [Alzheimer's Days Gone By: For Those Caring For Their Loved Ones](#). Deanna has been very active in the Central Texas area giving educational seminars for the Greater Chapter of Austin Alzheimer's Association in the 17 counties they serve. Additionally, she offers an 8 hour Alzheimer's CEU class for professionals seeking CEU hours as well as more information on Alzheimer's. During her years in healthcare she has obtained her Social Work license, Assisted Living license as well as her Licensed Nursing Facility Administrator.

Deanna views working with Alzheimer's as a lifestyle. She is wholly dedicated towards the Alzheimer's cause and spends much of her free time volunteering with the Memory Walk, memory screenings as well as speaking at Alzheimer's support groups, churches, VFW's etc.

Nouwana Beasley, Registered Nurse, Gerontology Certified

Nouwana began her career in Long Term Care as Director of Nursing in 1991. In 1996 she joined the regulatory division of the Texas Department of Human Services as an Investigator and Surveyor of Long Term Care facilities. During her seven-year tenure with the State agency, she worked with long term care facilities to implement state quality initiatives. In 2003 she returned to the private sector accepting a position as DON of a LTC facility in Allen Texas. Her dedication and loyalty to her staff, residents and their families lead to her nomination in 2007 for Director of Nursing of the year awarded by NADONA (National Association of Directors of Nursing).

DeeDee Hu, Pharm. D, NCCDP Board Member

Dr. Hu is an active staff member at Memorial Hermann Memorial City Medical Center, Houston, Texas. Her specialty includes that of critical care medicine, cardiology and infectious disease services. She is an associate clinical faculty member at the University of Houston College of Pharmacy, and is an active preceptor of pharmacy student interns and Memorial Hermann residents. Dr. Hu's current research portfolio includes the perioperative management of cardiovascular surgery patients, Human Immunodeficiency Virus/ Acquired Immunodeficiency Syndrome (HIV/AIDS) therapy in underdeveloped countries, and the usage of vitamin supplementation in conjunction with anti-parasitic therapy for children in third world countries. Dr. Hu serves on the board of directors at the National Council of Certified Dementia Practitioners ([NCCDP](#)).
