## Alzheimer's and Dementia Training

Start the path to becoming a Certified Dementia Practitioner

Sponsored by

With Presentations by

This is an 8 hour course of comprehensive Alzheimer's and Dementia training. Once the training is successfully completed, participants are able to make further application to become a Certified Dementia Practitioner through the National Council of Certified Dementia Practitioners. To learn more about the complete requirements and benefits of becoming a Certified Dementia Practitioner, please visit and review the description at the National Council of Certified Dementia Practitioners website ([www.nccdp.org](http://www.nccdp.org)).
