

True/False Quiz: Creating Successful Outings for Memory Care

1. ___ Community outings for memory care should be unplanned and spontaneous to encourage natural engagement.
2. ___ It is important to call ahead to ensure that a location can accommodate individuals with memory care needs.
3. ___ Family permission is never required for a resident to participate in an outing.
4. ___ Outings should be based on the interests and hobbies of the residents.
5. ___ Residents should always be dressed appropriately for the weather and occasion when going on an outing.
6. ___ Bringing a supply bag with essentials like wipes, gloves, and a first aid kit is unnecessary for memory care outings.
7. ___ A successful outing includes ensuring there are adequate staff, family, and volunteers to provide proper support.
8. ___ Wheelchair accessibility should be confirmed in advance to ensure smooth transportation and movement.
9. ___ Medical information sheets with emergency contacts should be left behind at the care facility during outings.
10. ___ Scenic rides, visiting local landmarks, and going to the zoo are examples of suitable outings for memory care residents.
